

Sinclair  
Broadcasting has  
made a decision, to  
air an anti-Kerry  
movie within days of  
the election for  
president,  
undermines our  
democracy. The fact  
that it has ordered  
its affiliates to  
air this movie makes  
its intentions  
obvious, that it is  
using its access to  
airwaves to  
influence the  
election.

If you have the  
power and  
responsibility to  
force fair use of  
the airwaves, I  
strongly recommend  
that you consider  
Sinclair 's orders.

Thank you.

Tom Lightner
